"It is the mission of this Catholic School to enable our children to become aware of the world that God has given them and to recognise their vocation and responsibilities within it"

Tuesday 2nd May 2017

Dear Parents, Carers and Children,

It is a real privilege to be able to write my first letter to you as Head Teacher of St. Vincent's.

St. Vincent's is an excellent Catholic Primary School with high standards and high aspirations. The attitude and behaviour of our pupils is exemplary and we have an incredibly strong school, home, parish and wider community.

Our mission statement is at the heart of all we do; we need to continue to teach our children the importance of living out the Gospel values in order to build upon the skills and concepts that they bring to school. Each child is unique and is a gift from God and I believe that education should be about the whole child; we want to develop the mind, body and spirit of all children in our care.

I feel incredibly blessed to be given the opportunity to lead St. Vincent's; I am proud of each and every one of the children in my care. I hope that together we continue to build on the wonderful relationships that already exist in order to help our children grow and reach their full potential. I very much look forward to continuing to work with you all over the coming years.

Yours sincerely,

Gràinne Davies
Head Teacher
